[5/1/23, 4:51 PM] Shawn Todd : Hey Beaver. I was at the Capitol today and heard about your Dad's passing. Just wanted you to know I'm so sorry and that you've been in my thoughts today.

I'm confident you loved him well and he couldn't have been anything but exceptionally proud of you as his Son.

I remember our conversations when you were in the midst of helping him.

Again, thinking about you and my best.

Shawn

[5/2/23, 6:43 AM] Beaver Aplin : Shawn

Thank you for your kind words.

I already miss him. Great man and WW11 vet.

On another note , the Senator asked me to set up a meeting with you and the Gov or someone with authority to find a path for Fairfield deal.

I've made that request and will communicate with you as soon as I have answer.

Beaver
