

We L♥VE Our Mothers!

Mother's Day is celebrated each May and marks a perfect opportunity to show Mom how much she's loved and appreciated.

Mother's Day has been celebrated for more than 100 years, and in that time mothers have grown accustomed to certain staples of the holiday.

A bouquet of fresh flowers, Sunday brunch at a local restaurant and some gifts from a partner and the children have become standards each Mother's Day.

Freestone County Times thanks our readers for shopping local this year for all our mothers.
